# A PROJECT OF THE CHILDREN'S INSTITUTE UNIVERSITY OF CAPE TOWN

## 11 year old boy:

“ Before we met the government  
people we felt very down hearted.  
Now we have hope that things  
will be better for us. ”

Children can make a change-  
hear our voices

## special thanks

To the children and their caregivers  
who participated in the forum

To the many others who were involved  
in the organisation of the  
National Children's Forum and the subsequent activities  
(see Appendix 1)
